

Privacy Policy

Omnitech, Inc. and DigiGirlz (a Microsoft YouthSpark Program) are committed to protecting your privacy and safeguarding your personal information. The goal of this registration platform is to register students for the [DigiGirlz Program](#) (the “Platform”).

This Privacy Policy informs you of the personal information about you that we collect and retain, and the uses and disclosures by us of your personal information. We do not directly solicit or knowingly acquire, store, or use personally identifiable information from children or students except information necessary to complete the registration process for the DigiGirlz event.

We employ reasonable and appropriate security methods and standards to prevent the unauthorized access, use, and disclosure of your personally identifiable information. This Privacy Policy may be modified by us at any time. If we make significant changes to this Policy, we will provide you notice of such changes. Your use of the Platform will be construed as your acceptance of such changes.

I. Information We Collect

Information Entered by You. We collect information that you provide to us. When you register on the Platform, you will be asked to enter certain information about yourself. This information may include your name, address, phone number, email, school and health information, and other information provided by you. By providing us with this information, you consent to our use and retention of it to register you for the DigiGirlz event, in accordance with this Privacy Policy. We may retain your information to contact you regarding future DigiGirlz events.

Cookies. We may use cookies or other technology to collect certain information about your use of the Platform, such as your IP address and other browser or device identifiers. By using the Platform, you consent to our use of cookies to collect this information.

We do not collect personally identifiable information about children age 13 or younger. If you believe we possess personal information about a child 13 years or younger, please contact us so that we may delete the information.

II. Disclosure of Information – How we use information about you.

We may share your personal information with our affiliates as is reasonably necessary to register you for event(s) through the Platform. If we choose to provide information to our affiliates, we will only do so after we have entered into confidentiality agreements with the affiliate. We may use your personal information to respond to any questions or comments by you and to communicate with you via newsletters, marketing, or other promotional material. We do not provide any of your non-public information to third parties without your consent or if we are obligated to provide such information pursuant to a legal request (see below).

We may disclose information that has been aggregated or that otherwise does not, and cannot reasonably be construed to, personally identify you. This de-identified data may be used for certain analytics and trends to better improve our provision of the Platform to you.

We may also disclose your personal information if we receive a subpoena, warrant, court order, or other legal request from law enforcement or other governmental agency. We may dispute or contest certain disclosures if we determine that the legal request is overbroad, unduly burdensome, or if the

requesting party does not have legal authority to demand such information.

III. Security

The Platform is a secure website, employing reasonable and appropriate measures to adequately safeguard and protect your personal information. We review our information collection and retention practices to guard and protect against unauthorized access to our systems. Although we employ these data security measures, there is no guarantee that your information will not be accessed, disclosed, or destroyed through a data breach or other unauthorized access to the Platform. As such, we cannot provide you with any warranties or representations that the information you transmit to us will be and remain secure.

IV. Scope of Policy

This Privacy Policy applies to the services offered to you through the Platform and through your use of the Platform.

If you have any questions about this Privacy Policy, please contact us at: info@omnitech-inc.com

OMNITECH, INC. AND MICROSOFT RESERVE THE RIGHT TO CHANGE THIS PRIVACY POLICY AT ANY TIME WITHOUT PRIOR NOTICE. ANY CHANGES WILL BE EFFECTIVE IMMEDIATELY UPON THE POSTING OF THE REVISED PRIVACY POLICY AND WILL APPLY TO ALL CURRENT AND FUTURE INFORMATION ON THE PLATFORM.
